9	Robert Bosch Gmbh	334	+21%
10	General Electric Company	275	+918% (27)

Online search services

The following databases can be accessed through the [INPI website](#) :

Patents:

- [FR Espacenet](#) : FR, EP and PCT applications in French from 1978
- [FR Register](#) : FR and EP patent legal information in France from 1989
- [19th Century Patents](#) : French patents issued from 1791 to 1902

Trademarks: FR, EM and International trademarks in force in France

Note : FR trademarks are also available on the [TMView portal](#) (OAMI)

Designs: FR (from 1901), International designs

Note : INPI intend to join DesignView portal (OAMI) in 2013

Caselaw database: national court decisions involving intellectual property, decisions of the INPI regarding opposition trademarks.

FR-Espacenet database

- Hosted by INPI
- 60 000 visits / month
- FR, EP, PCT applications from
- Bibliographic data - abstracts in French
- PDF original documents for :
 - FR, EP and PCT applications
 - FR granted patents from 1989
 - French translations of EP granted patents from 2004

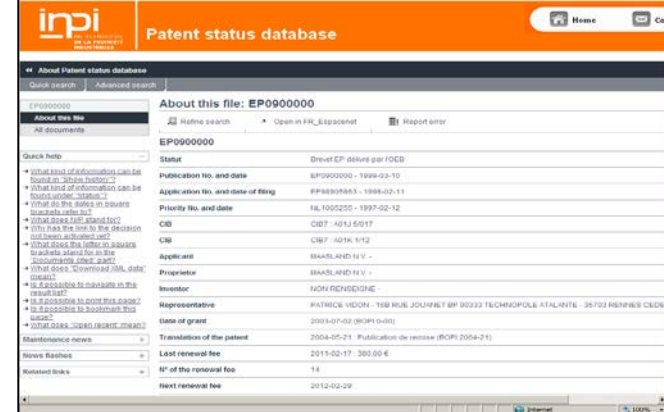

The screenshot displays the 'Recherche avancée' (Advanced Search) page of the INPI Espacenet database. The interface is in French and includes a navigation menu at the top with options like 'Recherche', 'Liste de résultats', 'Ma liste de brevets (22)', 'Historique des requêtes', 'Paramètres', and 'Aide'. The main search area is divided into two sections: '1. Sélectionnez la base de données' (Select the database) and '2. Entrez les critères de recherche' (Enter search criteria). Under section 1, there is a dropdown menu for 'Worldwide - Collection complète des demandes de brevet publiées provenant de plus de 80 pays'. Section 2 contains several input fields for search criteria: 'Mots-clés dans le titre' (plastic and bicycle), 'Mots-clés dans le titre ou l'abrégié' (hair), 'Numéro de publication' (WO2008014520), 'Numéro de demande' (DE19971031696), and 'Numéro de priorité' (WO1995US15925). A sidebar on the left offers 'Smart search' options and a list of 'Liens utiles' (useful links).

Patent status database

- Access : <http://patent-status.inpi.fr>

or on <http://www.inpi.fr>

- 15 000 visits /month, 45% from foreign countries
- Bilingual search interface: French, English
- Data extracted from the internal applications (Soprano and Phoenix)
- **Coverage** : French patent applications + EP granted patents from 1989 ; CCP from 1993

About this file: EP0900000

EP0900000 - PROCEDURE DE TRAITE D'ANIMAUX

INPI raw data currently available

1. Bibliographic data / legal status / XML ST36 / 5 weekly update files :

➤ FR data :

- **FRNEW** : FR new publications (including addresses and French company codes (Siren) for FR applicants)
- **FRAMD** : FR legal status (including licences, new owners)

➤ EP data :

- **EPAMDST36** : FR national phase for EP patent
- **epabespacenetYYYYMMDD.zip** : French translations of EP abstracts

➤ CCP data :

- **FRCCPST36** : SCP data (not weekly)

2. Images / XML ST33 / 2 weekly files

- FR-A
- FR-B

News : project of a single Patent search service

- **INPI is preparing a new patent search service merging the two current databases FR espacenet and FR Patent register** (*19th century patents remain available in a separate database in the near future*)
- **One single search interface with two types of access**
 - Quick search
 - Advanced search
- **Access to**
 - Legal information
 - Bibliographic information,
 - File inspection
 - Original documents
- **Planned availability : current 1st semester 2014**

News : larger image coverage for industrial designs database

Current coverage :

- Bibliographic data for French Designs from **1910** onwards
- Images now available **from 1910 to 1959 and from 1981 to date**

Ongoing : loading of 1960 - 1980 images to achieve more than one century of image coverage

The screenshot shows the INPI (Institut National de la Propriété Industrielle) website search results. The header includes the INPI logo and navigation links for 'Accueil du service', 'Contact', and 'Aide'. The search results are displayed in a grid format, showing 85 results found for the query 'voiture? enfants, date de publication : 1910:1950, dans la base de données des dessins et modèles français'. The results are organized into a grid of 8 items, each with a thumbnail image and metadata including 'Sous-Classes' and 'Déposant'. The search interface includes a search bar, filters, and navigation controls.

New : Licensing of INPI IP data

. New dataflow 1st semester for patents

- No major change in the data format
- Impact of new legislation concerning New Caledonia and Polynesia (*concerns applications from January 1st 2014*)
- Some additionnal information, eg : fee paiement

. Pricing policy :

- The decision of free of charge IP licences has been officially recorded
- Legal framework is currently elaborated

New : INPI's strategic objectives

- INPI has elaborated its **10-year strategic plan**
- In the framework of this strategic plan, a new **4-year road map** will be signed with the Government

Thank you for your attention
